Voluntary Group Term Life

Colonial Life's voluntary group term life insurance policy is a group plan that is 100% employee paid and is sold via payroll deduction at the workplace. It offers financial protection to help employees and their families during a period of time when obligations are high due to mortgage expense, planning for children's futures, and other fixed expenses.

Product Features

- Guaranteed Issue – Available at initial enrollment.
- Rates guaranteed – For two years from the date of issue of the group policy.
- Situs State – In multi-state enrollments, benefit options and rates for multi-state companies are based on the state where the master application is signed.
- Accidental Death & Dismemberment – Available as employer option.
- Waiver of Premium – Available as employer option.
- Renewability – This policy is optionally renewable.
- Premiums – Issue age rates in five year age-bands.
- Coverage is portable – Employees and their spouse and dependent children may continue coverage when the employee leaves his job, reduces hours below the minimum required or retires. All ported insurance will move to special ported rates. Evidence of insurability is required at time of port.
- Coverage is convertible – The option to convert to an individual, level premium whole life plan without proof of good health is available.
- Accelerated Death Benefit – If the insured is diagnosed with a terminal illness and has a life expectancy of 12 months or less, the certificate holder can request up to 75 percent of the death benefit, to a maximum of $150,000.
- Health Advocate Employee Assistance Program – Provides 24-hour confidential personal support and referral service, including a medical bill saver. Face-to-face sessions and video counseling with mental health professionals are available.
- Life Planning Services – Provides terminally ill employees and designated beneficiaries with financial, legal, and emotional support in dealing with death and loss.

What Is Not Covered

Group Term Life Exclusions

Insurance delayed for employees not in active employment because of injury, sickness, temporary layoff, or leave of absence on date of insurance otherwise effective.

Suicide exclusion of 24 months applies to initial amounts of insurance and any increases (12 months in CO and ND).

Spouses and dependent children are eligible to apply for coverage under guaranteed issue at the initial enrollment, but their coverage will not be effective if they are totally disabled. Being totally disabled includes being unable to perform activities of daily living, being cognitively impaired, confined in a hospital or similar institution, or the existence of any life threatening conditions. The inability to work does not determine total disability. The employee can pay premiums on insurance for their dependents with no health questions asked; however coverage is not effective until they are no longer totally disabled.

Accidental Death and Dismemberment

Will not provide benefits for losses that are caused by, contributed to by or result from a covered person's:

- Suicide or intentional self-inflicted injury
- Active participation in a riot
- Commission of a felony or engaging in an illegal occupation
- Use of controlled substances, except drugs prescribed by a physician and taken as prescribed
- Disease of the body, mental infirmity or diagnostic, medical or surgical treatment
- Presence of that percentage of alcohol in the blood which raises a presumption the individual was under the influence of alcohol
- Exposed to war or any act of war
- Serving in the armed forces of any country or authority
- Occupational injury
- Investigational or experimental medical procedures
- Travel in any experimental or test device for aerial navigation (not applicable to employee if Travel Suite is selected)
- Travel in any device for aerial navigation, owned by or on behalf of the employer (not applicable to employee if Travel Suite is selected)

Definitions

Annual earnings means the gross annual income from the employer in effect just prior to the date of loss. It includes total income before taxes, but does not include deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation from the employer, or income received from sources other than the employer.

Important Disclaimers & Notices

The proposal is intended to explain the Group Term Life plan. It does not constitute the contract. If this proposal is accepted, a contract outlining the coverage will be issued. Any discrepancies between this proposal and the contract will be resolved by the wording contained in the contract.

Where used, the term spouse also includes a legally separated spouse. You may not cover your spouse if your spouse is enrolled for coverage as a named insured.

Colonial Life is committed to helping working Americans and their families minimize personal financial risk with a comprehensive offering of voluntary benefits through the workplace. Colonial Life compensates producers to facilitate the sale and delivery of these valuable benefits. This compensation might include commissions as well as various incentives and awards.

We support disclosure of compensation programs for our products, and your benefits counselor can provide you with complete information about these programs. You may also learn additional information about our compensation programs by contacting our Plan Administrator Service Center at 1-800-256-7004.

Plan Effective Date – Actively at Work Employees – Existing coverage is transferred on a "no loss – no gain" basis. This means that an employee or participant will not be penalized or lose the benefits/provisions already attained before switching insurance carriers, nor will they gain any additional benefits/provisions for which they have not yet satisfied the requirements or are not yet eligible for.

Newly Eligible Employees – If ill or injured, and away from work on the date that coverage would become effective, the effective date of coverage is delayed until the employee returns to full-time work for one full day.

Plan Effective Date – Disabled Employees – Employees who are away from work due to a disability who are not covered under a prior carrier's premium waiver feature may have existing coverage transferred on a "no loss – no gain" basis. To do this Colonial Life requires the receipt of a list of disabled employees. This list should include life coverage amount, date of birth, sex and disability reason. Based on the review of this list Colonial Life reserves the right to make adjustments to the proposal.
